

job posting

INNOVATE Architecture & Interiors is now interviewing for additional staff members. INNOVATE is dedicated to serving the Healthcare and commercial market sectors and is looking for talented, energetic people to join our team. We have many exciting projects and will consider applicants with the following experience:

- **Intern Architect** – Applicant should have 0-5 years of experience, an Architectural degree and be AutoCAD/Revit proficient.

The successful applicant will have involvement in all phases of project development from design through construction and have direct client and contractor contact providing a full range of professional development. All applicants must be internally motivated, well spoken and written, professional in appearance and conduct and enjoy the challenges of a range of duties and responsibilities. A competitive salary and benefit package will be offered to the most qualified individual.
