

**2018 Summer Internship Program
Intern Application Form**

HRACRE is a commercial real estate association comprised of various industry professionals such as developers, contractors, architects, engineers, attorneys, appraisers, bankers and brokers. The HRACRE Internship Program was established to attract the best and brightest students to Hampton Roads and to improve their understanding of the commercial real estate industry. Participating member employers select intern applicants for interview; selection of interns and matters of compensation are left to the employer's discretion. During the internship period students will have an opportunity to participate in education programs by leading industry professionals, a speed mentoring breakfast, tours, luncheons and numerous opportunities for networking. Certificates and awards for top participants will be announced at the Closing Luncheon.
